NFAA Directors Report: Vegas in February has been canceled, NFAA is going to get Championship/Pro Divisions together to shoot for the prizes. Will do the rest of the competition virtually in the same manner as the NFAA indoor National event was held. NFAA 2020 Indoor National Championship held a Granby on December 5 & 6 2020. Fifteen registered shooters, twelve attended. Three archers canceled due to weather on Saturday and it was a two-day shoot had to shoot both days. Granby did a good job running the shoot. Range inspection schedule was pass out. In the future have both ranges done at the same time so its just one payment all at once.

Old Business: Close Nomination for NFAA Director and MFAA President. No news on any new nomination. It will be Closed and Voted on in February.

New Business: The end of the Year MFAA Awards, the clothing was giving out at the shoot that happen on this day. Just two items where not ready. A towel had not come in yet and a Polo shirt was the wrong sizes had to be reordered so the company was taking care of its ASAP. Some gift cards were given out today at the shoot, but most will need to be mailed to the members. The new embroider did a great job. After having such a difficult time getting the file from the former shop that final returned it to us in the original form a floppy disk. We would like to formal thank Bob Sarver for helping us out with letting us borrow his external floppy disk drive to get the file on a CD/ Zip drive.

Good of the Association:
