MFAA will provide upon verification each new achievement patch, unlike the JOAD pin program it will not be progressive (The archer will not have to earn the lowest patch first and work their way up.).

For Example: Youth archer at indoor shoot turns in a score card of with a score of 257. MFAA will provide the 240 achievement patch. If at a subsequent shoot the same archer shoots a 276 MFAA will provide the 270 patch.

Once an Archer has obtained a higher level achievement, the archer cannot get a lower level achievement patch from the MFAA for free. The lower level achievement patches can be purchased from the MFAA youth Chairman for \$3.00.

The same process would be used for Outdoor Achievement's

Header patches for Indoor and Outdoor are available for \$4.00 each

If the Archer wishes to purchase the other lower achievement patch's to complete the set. They are available for purchase from the MFAA for \$3.00 each. Award patches will be different for Cubs and Youth / Young Adult for both Indoor and Outdoor achievements.
